Brooom BROOOM.. Rally-X was the first video game to have background music. And with this skin, you can be a car that eats cars that turn into puffs of smoke while jamming out to one of the sickest loops I've ever heard in my life.. Yes, we get a Pac Man game because we're secretly hungering for more Rally-X content.. Yes, we get a Pac Man game because we're secretly hungering for more Rally-X content.. udb40udc21
